ESP32_S2_MINI

This diagram shows the PCB layout for an ESP32-S2-MINI module. The main PCB area is a large rectangle with a notch at the top center and a small triangular cutout at the bottom left. The text 'ESP32_S2_MINI' is centered near the bottom of this area. Below the main PCB area, there is a small square component on the left and a long, thin rectangular component on the right.
